To enrich campus life and cultivate a truly global, intercultural community, the International Education Center and Youth League Committee are jointly launching **HITSZ first International Culture Carnival**. This autumn, we bring together students from around the world through art displays, interactive experiences, and cultural exchanges—creating a vibrant platform for meaningful dialogue and mutual learning among diverse cultures.

Highlights include:

- **"Window to the World"** cultural booths, where country exhibits showcase unique traditions and lifestyles;
- **"Global Colors Parade"**, a lively procession brimming with festive spirit;
- **"World Stage"** multicultural performances, presenting a dynamic fusion of music, dance, and art from across the globe.

Join us on **November 8th at 16:00** as we share food, music, dance, and dialogue to collectively write a new campus chapter—**"Harmony in Diversity, A World in Symphony"**.
